BECOME AN ORGANIZER

We'll walk you through a few steps to build your local community

[Get started](#)

People start Meetup groups to make new friends, pursue passions, and turn side hustles into careers.

Make an impact

"Hosting oyster tasting events on Meetup allows me to create a larger impact beyond my blog and get more people interested in and involved with sustainable seafood."

Mamoudou . Saint-Petersbourg

Organize your way, on your schedule

Find your members

We'll help you find interested members and you can approve them to be sure they'll be a good fit for your community.

Schedule events in minutes

Organizer tools make it easy to schedule and manage your events. You decide when, where, and how often your group meets.

Have others help you host

You don't have to do it alone. Recruit a leadership team to help you host events and manage your group.

What would you like your group to do?

Try starting simple with one of these common event formats

Hang out

Organize a get-together at a bar or local coffee shop to discuss something you're interested in
